

OAK PARK HOME OWNERS ASSOCIATION

Attention!!

HOA Meeting

Wednesday, April 7th

7:30pm at Town Hall

There will be a very important quarterly meeting at Town Hall on the 7th of April. An architecture firm will be presenting their ideas for the **proposed use of the vacant land on Kirkpatrick**. We would like to have as many homes represented at the meeting as possible, so please mark your calendars and try to attend. Our HOA secretary has recently moved and we will be discussing having additional people volunteer to help out. If you have any questions or would like more information please visit the website at www.OakParkHOA.com.
