

Oak Park Home Owners Association Newsletter

JOIN OUR EMAIL DISTRIBUTION

Please join our mailing list by visiting our website at www.oakparkhoa.com/contact-us/ and provide us with your contact information. Other than our annual meetings, which need notification by mail according to our by laws, we would like to send less informal information (such as this notification) out via email to save on mailing costs.

GARAGE SALES

At our spring meeting it was noted that a fall neighborhood garage sale would be appreciated; therefore we will have both a spring and fall sale. To keep the dates simple and consistent, going forward the spring sale will be the first Saturday in April (unless this falls on Easter weekend, then it will be the following weekend); the fall sale will be the first Saturday in October. Ads will be placed in Craigslist, the Dallas Morning News, and our banner and signs will be displayed the week before. Reminder emails will also be sent out to the distribution we have currently. To receive these messages via email, please join our mailing list at our main site www.oakparkhoa.com and select Contact Us. FYI - mailings specifically for Garage Sales will no longer be sent.

COMMON BRICK WALL

If you are a household whose house backs along the brick wall (running aside of Kirkpatrick), we would like to remind you to please conduct due diligence to ensure there are no plantings (new or existing) or structures (e.g. bushes, trees, sheds, etc.) that put pressure against the wall. As you know this will be our single, largest expense in repairing and/or replacing and is inevitable. If you have questions, please contact any of our Board Members through the website.

NEIGHBORHOOD PARTY

We would like to have a neighborhood party this fall and are looking for volunteers to participate on the party committee. This party will be for all of us and your input is needed. If you are interested in joining the party committee or have an idea, please contact us at www.oakparkhoa.com. Your email will notify us and we will contact you about the meeting to start preparations. Please reach out to us by Friday September 9th so that we can begin harvesting ideas and support.

NEIGHBORHOOD WATCH

Some homeowners have expressed interest in starting a neighborhood watch. Please contact us through the website and we will coordinate a plan to meet with local law enforcement on how to enact such a policy within the community.

OUR FALL MEETING WILL BE ANNOUNCED FOR A TIME IN OCTOBER!
